Independent Auditor's Report

To the Board of Directors of
P.E.F Israel Endowment Funds, Inc.

We have audited the accompanying financial statements of P.E.F. Israel Endowment Funds, Inc. (a nonprofit organization), which comprise the statements of financial position as of November 30, 2015 and 2014, and the related statements of activities and cash flows for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of P.E.F Israel Endowment Funds, Inc. as of November 30, 2015 and 2014, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

NOTES TO FINANCIAL STATEMENTS
NOVEMBER 30, 2015 AND 2014

NOTE 1 - ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

a) Organization

P.E.F. Israel Endowment Funds, Inc. (PEF) is a non-profit organization incorporated in the State of New York and is a tax-exempt public charity under the United States Internal Revenue Code 501(c)(3). It was established in 1922 as Palestine Endowment Funds, Inc. After the founding of the State of Israel its name was changed. PEF's support is derived from public contributions by individuals and organizations. PEF primarily supports charitable organizations in Israel.

b) Basis of Accounting

The financial statements of PEF have been prepared on the accrual basis of accounting in accordance with United States generally accepted accounting principles (GAAP).

c) Basis of Presentation

The organization is required to report information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets.

Unrestricted Net Assets - net assets that are not subject to donor imposed stipulations and where a privilege of grant recommendation is given to the donor (and his or her designees) and the distribution of principal and income is governed by PEF grant guidelines. Even when a recommendation fully complies with such guidelines, the Board of Directors has the absolute power and authority to reject such recommendation.

Temporarily Restricted Net Assets - consist of contributed funds subject to specific donor-imposed restrictions, contingent upon the occurrence of a specific future event or a specific passage of time before PEF may spend the funds, and earnings on endowment funds that have not yet been appropriated.

Permanently Restricted Net Assets - are subject to donor-imposed restrictions requiring that the assets be maintained in perpetuity.
(See Note 4)

d) Use of Estimates

Management uses estimates and assumptions in preparing financial statements. Those estimates and assumptions affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities, and the reported revenues and expenses. Actual results could differ from those estimates.

P.E.F. ISRAEL ENDOWMENT FUNDS, INC.
NOTES TO FINANCIAL STATEMENTS
NOVEMBER 30, 2015 AND 2014

NOTE 1 - ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES
(Continued)

e) Contribution Revenue

Contributions are considered to be available for unrestricted use unless specifically restricted by the donor. Amounts received that are designated for future periods are reported as temporarily restricted or permanently restricted contributions that increases those net asset classes. When the temporary restriction expires, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions. Donated marketable securities are recorded as contributions at their fair values on date of donation.

f) Grants

Grants made to others are recorded as an expense when they become unconditional promises by PEF to give based on guidelines promulgated by the Board of Directors. At November 30, 2015 and 2014, promises to give to grantees but not disbursed were \$1,272,164 and \$1,562,980, respectively and payable within one year.

g) Functional allocation of expenses

The costs of providing grants and supporting services have been summarized on a functional basis in the accompanying statements of activities. Accordingly, certain costs have been allocated among the grant making and supporting services in reasonable ratios determined by management.

h) Cash

Cash is composed of available cash balances. PEF maintains its cash in bank deposit accounts.

i) Promises to Give

Promises to give are oral or written agreements by donors to contribute cash or other assets to an entity. A promise to give is unconditional if its receipt depends only on the passage of time or demand by the organization and no right of return of any assets transferred exists. Conditional promises generally depend on some future event occurring before the promisor is bound or allow for a right of return of assets depending on some future event. Unconditional promises to give that are expected to be collected in less than one year are recorded at their net realizable value, which is the estimate of their fair value. Unconditional promises to give that are expected to be collected in more than one year are recorded at fair value, which is measured as the present value of their future cash flows.

The discounts on those amounts are computed using risk-adjusted interest rates applicable to the years in which the promises are received. Amortization of the discounts is included in contribution revenue. Unconditional promises with donor imposed restrictions are recorded as either temporarily or permanently restricted contributions. Conditional promises are recorded when the conditions are substantially met or explicitly waived, at which time the conditional promise becomes unconditional.

On November 24, 2015, the organization received one written unconditional promise to give for \$35,200 which was received on December 14, 2015.

j) Investments and Investment Income

Investments in equity securities with readily determinable fair values and all investments in debt securities are reported at fair value determined on the basis of quoted market prices. Investments in non-exchange traded limited partnerships, hedge funds and similar interests for which market values are not readily obtainable are carried at fair value as determined by the respective limited partnership, hedge fund or PEF's management. These values may differ significantly from values that would have been used had a readily available market existed for such investments, and the differences could be material to the change in net assets of PEF.

Investment transactions are recorded on a trade-date basis. Realized gains and losses are determined on the first-in, first-out basis. Unrealized gains or losses are determined by comparing cost to fair value at the beginning and end of the year. Gains or losses on investments are recognized as increases or decreases in unrestricted net assets unless their use is temporarily or permanently restricted by explicit donor stipulations.

Interest income is recorded on an accrual basis. Dividends are recorded on the ex-dividend date. Interest and dividend income for the years ended November 30, 2015 and 2014 are shown net of investment expenses of \$676,008 and \$683,679 respectively.

k) Fair Value of Financial Instruments

PEF's financial instruments are cash, unconditional promise to give and grants payable. The recorded values of these financial instruments approximate their fair values based on their short-term nature.

l) Concentrations of Credit Risk and Market Risk

Financial instruments that potentially subject PEF to concentrations of credit risk consist principally of cash and money market funds that are deposited in financial institutions which exceeded federally insured limits at times during the years ended November 30, 2015 and 2014. PEF has not experienced any losses in such accounts and management believes the organization is not exposed to any significant risk on these accounts.

PEF utilizes various investment instruments including mutual funds. Investment securities, in general, are exposed to various risks, such as interest rate risk, credit risk, and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such change could materially affect the amounts reported in the financial statements.

m) Donated Services

No amounts have been reflected in the financial statements for donated services. PEF generally pays for services requiring specific expertise. Trustees volunteer their time and perform a variety of tasks that assists PEF in its operations.

At times, trustees also make cash and non-cash contributions to the organization which are included in the financial statements.

 (Continued)

n) Depreciation

Equipment and Leasehold improvements are stated at cost less accumulated depreciation. Fixed asset expenditures in excess of \$1,000 are capitalized. The cost of maintenance and repairs is recorded as expenses as incurred. Depreciation is computed using the straight-line method over their estimated useful lives of 3 to 7 years for equipment. Leasehold improvements are depreciated over the shorter of their estimated useful lives or the term of the related lease.

o) Income Taxes

PEF is exempt from federal income tax under Section 501(c)(3) of the Internal Revenue Code, except on net income derived from unrelated business activities. No taxes were paid for unrelated business activities in the years ended November 30, 2015 and 2014. PEF believes that it has appropriate support for any tax positions taken, and as such, does not have any uncertain tax positions that are material to the financial statements. PEF's Forms 990, Return of Organization Exempt from Income Tax, for the current fiscal year and the last three years are subject to examination by the Internal Revenue Service.

p) Reclassifications

Certain amounts in the prior-year financial statements have been reclassified for comparative purposes to conform with the presentation in the current-year financial statements.

NOTE 2 – EQUIPMENT AND LEASEHOLD IMPROVEMENTS

Equipment and leasehold improvements consist of the following at November 30:

	<u>2015</u>	<u>2014</u>
Equipment	\$ 75,730	\$ 73,397
Leasehold Improvements	<u>3,315</u>	<u>3,315</u>

	<u>\$ 51,461</u>	<u>\$ 61,926</u>

For the years ended November 30, 2015 and 2014, depreciation expense was \$12,798 and \$6,468, respectively.

NOTES TO FINANCIAL STATEMENTS
NOVEMBER 30, 2015 AND 2014

NOTE 3 - ADMINISTRATIVE FEES

To pay its operating expenses, PEF charges an administrative fee to all donor-advised funds as described below. Fees were based on total asset value as follows:

<u>Account Balance</u>	<u>Administrative Fee (Per Annum)</u>
Assets up to \$4,000,000	75 basis points
Additional assets exceeding \$4,000,000	30 basis points

The administrative fee is charged annually, and it reduces the value of the donor-advised funds and increases the value of PEF's operating fund. The fee was \$586,738 and \$564,974 for years ended November 30, 2015 and November 30, 2014 respectively.

NOTE 4 - ENDOWMENT FUNDS

PEF is subject to the New York Prudent Management of Institutional Funds Act ("NYPMIFA). In accordance with NYPMIFA, PEF applies a standard of prudence and considers the following factors prescribed by NYPMIFA in making a determination to appropriate for expenditure or to accumulate donor-restricted endowments funds:

- (1) The duration and preservation of the fund
- (2) The purposes of PEF and its donor-restricted endowment fund
- (3) General economic conditions
- (4) The possible effect of inflation or deflation
- (5) The expected total return from income and the appreciation of investments
- (6) Other resources of PEF
- (7) The investment policies of PEF, and
- (8) Where appropriate, alternatives to spending from donor-restricted endowment funds and the possible effects on PEF.

PEF's endowment consists of 8 individual funds (4 permanently restricted and 4 temporarily restricted) and is an aggregation of gifts provided by donors with the requirement they be held in perpetuity or for a period of time to generate earnings now and in future years to support funding its programs and administrative operating costs.

PEF classifies as permanently restricted net assets: (a) the original value of gifts donated to the permanent endowment, (b) the original value of subsequent gifts to the permanent endowment, and (c) accumulations to the permanent endowment made in accordance with the direction of the applicable donor gift instrument. The remaining portion of the donor-restricted endowment fund that is not classified in permanently restricted net assets is classified as temporarily restricted net assets until such amounts can be prudently spent, consistent with donor stipulations.

Endowment net asset composition by type of fund as of November 30, 2015 and 2014 is as follows:

		<u>Unrestricted</u>	<u>Temporarily Restricted</u>	<u>Permanently Restricted</u>	<u>Total</u>
Donor Restricted	2015	<u>\$ (3,317,076)</u>	<u>\$ 3,987,055</u>	<u>\$ 21,178,825</u>	<u>\$ 21,848,804</u>

P.E.F. ISRAEL ENDOWMENT FUNDS, INC.
 NOTES TO FINANCIAL STATEMENTS
 NOVEMBER 30, 2015 AND 2014

NOTE 4 - ENDOWMENT FUNDS (Continued)

From time to time, the fair value of assets associated with individual donor-restricted endowment funds may fall below the level that the donor requires PEF to retain as a fund of perpetual duration. In accordance with United States generally accepted accounting principles, accumulated deficiencies of this nature that are reported in unrestricted net assets totaled \$3,317,076 and \$2,475,110 as of November 30, 2015 and 2014, respectively. It represented 1 individual donor-restricted endowment fund for each year.

NOTES TO FINANCIAL STATEMENTS
NOVEMBER 30, 2015 AND 2014

NOTE 4 - ENDOWMENT FUNDS (Continued)

Return objectives and risk parameters:

PEF has adopted investment and spending policies for endowment assets to provide a stable stream of funding for programs supported by its endowment. Endowment assets include those assets of donor-restricted funds that the organization must hold in perpetuity, or for a donor-specified period. Endowment assets are invested in a manner intended to produce results that meet or exceed the five-year consumer price index. Actual returns in any given year may vary.

Strategies employed for achieving objectives:

To satisfy its long-term rate-of-return, PEF relies on a total-return strategy in which investment returns are achieved through both capital appreciation (realized and unrealized) and current yield (interest and dividends). PEF targets a diversified asset allocation within prudent risk constraints.

Spending policy and related objectives:

PEF has a policy of appropriating amounts sufficient for the purpose(s) of the endowment. In establishing this policy, PEF considered the long-term expected return on its endowment. Accordingly, over the long term, PEF expects the current spending policy to maintain a stable stream of funding to programs.

NOTE 5- FAIR VALUE MEASUREMENTS

Accounting Standards Codification Topic 820, Fair Value Measurement, defines “fair value” as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants. This pronouncement also establishes a framework for measuring and disclosing fair value of assets and liabilities. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under ASC Topic 820 are described below:

Fair Value Hierarchy

Level 1 - Unadjusted quoted prices in active markets for identical assets or liabilities at the measurement date.

Level 2 - Other significant observable inputs (including quoted prices in active markets for similar assets or liabilities).

Level 3 - Significant unobservable inputs (including the organization's own assumptions in determining the fair value of assets or liabilities).

The asset's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

PEF uses the following ways to determine the fair value of its Level 2 and Level 3 investments:

- Government and corporate bonds: Determined by the closing bid price on the measurement date.
- Certificates of deposits: Valued at cost plus accrued interest, which approximates fair value.
- Hedge Funds: Determined by the hedge funds published net asset values (NAV) per unit.
- Partnerships: Determined considering brokers quotes and published price or best information available in the circumstance that impact value.

There were no changes in the valuation techniques during the year.
